MUMBAI

Dear Colleagues,

Emergency Medicine is not just a specialty—it is the backbone of a responsive, resilient healthcare system. As India continues to advance, the need for rapid, reliable, and community-centered emergency care has never been greater.

EMCON 2026 is more than a conference—it's a call to action. With the theme "**Innovation, Collaboration, Excellence**", we invite our partners in industry, technology, healthcare, and academia to join hands in spreading awareness, building capacity, and driving solutions in Emergency Medicine.

By supporting EMCON 2026, you're not just investing in a conference—you're investing in lives saved, systems strengthened, and communities protected.

Let's come together to innovate, collaborate, and celebrate Emergency Medicine. Together, we can make India safer, stronger, and better prepared for every emergency.

MUMBAI

Dear Colleagues,

It gives me immense pleasure to welcome you to EMCON 2026, the 28th National Conference of the Society for Emergency Medicine India, in the resilient city of Mumbai.

Emergency Medicine is where science meets urgency, leadership meets compassion, and every decision can change an outcome.

With the theme **"Innovation, Collaboration, and Excellence in Emergency Medicine,"** EMCON 2026 brings us together to exchange ideas, challenge boundaries, strengthen skills, and shape the future of acute care.

Over three inspiring days, let us learn, collaborate, innovate, and renew our commitment to better emergency care.

This is not just a conference. It is a calling.

See you at EMCON 2026!

Dr. Sandeep B. Gore
